

\$52,700 first year

Now the agent makes \$46,460 instead of \$44,900 for the 100 MAPD's they do. On top of them getting paid more for what they enrolled, the agent will receive another \$6,240 for the volume the agency did from October 15<sup>th</sup>-December 7<sup>th</sup>.

All the MA that are renewed the following year will pay out around again each year to multiply your income.
